		<b>Length of Each Tutoring Session:</b> 1.5 - 2.0	
		<b>Services Offered:</b> Special Education Services <input checked="" type="checkbox"/> Bilingual Instruction <input checked="" type="checkbox"/>	

### Program Description

The Huntington Learning Center has offered high quality, research based, supplemental educational services to students in grades K-12 for over 30 years. The instructional program that Huntington provides is based on sound educational research and decades of experience. Tutoring is available in Reading, Writing and /or Math. Our instructional methodology integrates active learning techniques, modeling of skills/strategies, and context based instruction in order to engage students in the learning process. Every program begins with a diagnostic evaluation, from which we create an individualized instructional program, addressing skills and concepts that the student has not adequately mastered in the classroom. Before a student receives instruction, Huntington meets with the student's parent/guardian at an Initial Conference to review the evaluation results and discuss any pertinent information needed to develop the best individualized plan for the student. Progress and performance are assessed on a continual basis. Upon completion of the program, a final conference is scheduled to review the student's overall progress. The Huntington Learning Center is a state of the art facility conveniently located at 2233 Wisconsin Avenue, NW and is easily accessible by public transportation. For more information please contact Janine Davey at 202-337-8080.
